

Campus Signage

As part of our mission to show hospitality at ATN, we want to make it easy for attendees to get around and locate the various facilities we use.

Set-up Volunteer Guidelines:

- Arrive at ATN by 9:30 at the latest.
- Signs are stored in ATN's main storage closet.
 - When you arrive, standing/pop-up signs and the worship banners to be added to the pipe & drape will have been pulled out of the closet and located on a small black cart.
 - The ATN banner, PVC pipe frame, and flag-style signs are stored near or behind the pipe & drape just to the left inside the main storage closet.
- Signage should be set up according to this map:

Take-down Volunteer Guidelines:

- Signage should be repackaged and replaced where it was found upon arrival:
 - Standing/pop-up signs dismantled and replaced in their bags on the small black cart.
 - Worship banners rolled up and placed on the small black cart along with their bungee cords.
 - ATN banner rolled up and replaced with the PVC pipe frame near or behind the pipe & drape just to the left inside the main storage closet.
 - Flag-type signs replaced near the banner and frame to the left inside the main storage closet.
